Konnect

Discussion tables are where ideas come to life and projects are developed. For a result that mixes together harmony, composure, reliability, and sophistication, the KONNECT series is meant for people to do its namesake: to connect.

K1

K1 Type

The symmetrical pattern and a blend of materials bring a simple product that excels. Elegant, sedate, and peaceful a timeless design that's

always in season. K1 with a four-star base gives the surroundings a dramatic profile.

K2

K2 Type

With the dynamism of modernism injected, K2 is beautiful, and beautifully made. Casual yet artistic lines of

steel leg bring the tabletop appropriate support. Capture creative ideas in this inspirational space.

K3

K3 Type

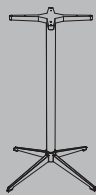

An admirable public space should enable multiple activities like meeting guests, savoring coffee. Available in a round base,

K3 can present totally different feelings and harmonize with various surroundings.
