## Features

### Sliding Storage

Sliding storage has a black color body on the inside and a woodgrain door with a 45-degree edging.

### Private Drawer

With a digital lock and a lightweight drawer that uses a 45-degree edging as a hidden handle, you can safely store your confidential items away.

### Power Track

Removable and adjustable premium plug adapters for office work desk. The sleek and modern design adds a touch of sophistication to any modern office with safety measure and high electrical load capability.

### Wire Solution Storage

Swing storage with a black color body on the inside and a woodgrain door with a 45-degree tilt. This storage organizes your cables and conceals them.

### Flipper Casing

Designed for the best wire management solution to suit your modern day office needs.

### Bottom Swing Storage

The inside body is 18mm thick in BLACK, while the door is MASHA WHITE. The door forgoes a handle and features a 45-degree edging at the top that functions as a hidden handle.

### Swing Storage

Clothes hanger with a BLACK inner body and a MASHA WHITE door to organize your attires.

### Open Shelf

Everything is 18mm thick BLACK, except for the 25mm thick MASHA WHITE shelf. LED lighting can be added to shelf paneling as an option.
