"INSPIRATION
COMES OF
WORKING
EVERY DAY."

Flexibility of a workplace is like the eco-system of an island: with different natural elements to make it vibrant and rich. D series includes screens, tables, seatings, and other office facilities, which integrate working, communication, leisure and other working modes harmoniously, providing a healthy office ecosystem.

1200mm-high panel screen with acoustic material surrounding the desk helps build an individual working space where you are freed from visual and sound interference.

How to balance me-working and co-working? A screen in the middle let users flexibly switch between focused work and discussion with a partner beside.

Office **Leisure Zone**

Leisure zone

Be there when you need a time off. A leisure unit built with D series products: a single sofa with high backrest, a panel screen, and a matching table top. Relaxing/reading/working/resting here when users need a time alone would be a perfect choice.

" Island " Phone booth

Screen with a pencil box base

The base is as steady as a rock.

Ideas puff out

Colorful and puffy D-series ottomans help relax working tension, and e-training board with casters can be easily moved around and be used for hand writing, together creating a cozier innovation-driven training and brainstorming space.

E-face-to-face experience

The e-training board from D series is designed to serve as a holder of a multimedia display screen. Course training, presentations, online video meetings for teams can happen here with a further matching table and chairs.

Colorful Bench

D series includes colorful benches which turn out to be the most sharing and welcoming items in the office. Staffs are closer by sitting next to each other on the bench, which also increased the space utilization.

Colors from Nature

D series gets its inspiration from lush mountains, lucid waters, exuberant maple leaves, crystal blue sky, solemn dark nights...
Chosen EPU leather and elastic hemp make every touch a pleasure.

Smooth & Supple

TOUCH

High-density foam is chosen to distribute the weight. And the cushions will not flatten or clump over time.

With Shape from Nature and Scientific Techniques

The high-strength steel frame inside the backrest and a solid wood frame shaping the seat combine into the overall firm and supportive sofa structure. Soft and elastic sponge is padded to imitate the sand beach sitting experience. The loop-shaped bottom wooden stand is also effective in skid and moist resistance. Natural beauty as it possesses, techniques hold it longer-lasting.

Multiple Backrest Options

A curated list of options allows people to maintain a sense of autonomy. Low back/ no-back lounge seating and stools putting together or used solely display more possibilities of spaces.

D3 lounge chair, with its shape inspired by free-swimming conches, brings artistic atmosphere to your spaces.

Caring Island—D3 sofa set

The whorl pattern is the featured design element of D3 lounge chairs, which represents the idea of liveliness and vitality we wish to bring to offices. Space characters as it enriches, sitting experience on the lounge chair is also improved. You may invite friends and partners to have free-topic talks here with relaxed gestures. Physical comfort helps release imagination and creativity.

High Backrest, A Touch of Luxury

Everyone needs a showoff time in certain life stages. D2 lounge chair, with its understated fashion, appear as a nonverbal symbol of your privileged identity.

Well-proportioned Segments, Support Lumbar and Back

Precise cutting of padded sponge and calibration of each stitch ensure perfect shape and strength of the chair. Segments proportioned based on ergonomics distributes sufficient contact space to give effective support to your back and waist. Relaxing here is a good choice for you to refresh.

Medium Backrest, Just-right Elegance

We can release our individuality more fully when we are alone. D3 medium height lounge chair endows just-right elegance to the space to flow with your unique personality .

A Treat to Your Skin

Spliced Leather, Double Enjoyment

The three-finger wide pinholed leather is spliced on the seat edge to enhance durability and add another highlight to the chair, artistic and air-permeable. Danmark-imported KU fabric with good dimension stability ensures smooth surface with high resilience and effective moist resistance. Double material, double enjoyment.

Low Backrest, Free Communication

With no block of sight, you can turn to any side and share your opinion and ideas in a more free and easy way. The smooth appearance and swivel mechanism are integrated into a small size, offering you comfort in any spaces.

A Certain Treat to Your Home

Home can always be nicer if you allow it. The delicate low backrest expanded to the ground looks more stable and supportive. Sit on D3 lounge chair and bath in sunlight, a cozy and lazy moment makes your day better.

Visual and Tactile Elegance

In offices, at home, or in any places you might be, once you decide to sit, D3 sofa can serve as a comfort provider, space delighter, and personality reflector.

Vibrant and Varied

The evening sunlight is gliding the tip of the hill and shedding its rosy rays on the rippling water. The ingenious mix of amber orange and cloud white reminds people of the cloud waves drifting through the golden evening mist.

Unlimited Landscape

The modular design of D series provides a relaxing space for people to chat up, take a sip of coffee, meet friends or join in group activities. A lot of opportunities are unfolding on this island.

Dynamic curves are applied to create a solution that is elegant in its simplicity. People can be engaged in both face-to-face communication and private concentration. It is a timeless design that's always in season.

The interaction with nature endows D series with a rich of interpretations of art.
